

P CUBED CONSULTING, LLC

Merging Logistics & Cyber to Secure the Future

Capabilities Statement

www.pcubedconsultingllc.com

P Cubed Consulting, LLC is a logistics management and cybersecurity consulting company focused on supply chain assurance and operational resilience where cyber awareness and protection are paramount to federal agencies and commercial business. We provide consumer-centric strategies and solutions to key operational areas to reduce risk, save cost, and improve responsiveness. Our past performance and professional experiences underscore our commitment to getting what is right and needed, rapidly and securely.

Core Competencies

- Integrated Logistics Management
- Cybersecurity
- Specialized Procurement
- Supply Chain Management
- Customer Experience & Marketing
- Organizational Planning

Differentiator

- We listen to our customers to understand better their specific needs
- We focus on solutions that support the security and responsiveness of the physical and digital footprints simultaneously.
- We use a three-dimensional (people, process, and protection), strategic approach as our mantra to meet and exceed expectations.
